Listening to the wind of change  
*Chorus joué ou sifflé*

That we could be so close, like brothers  
The futur's in the air, can feel it everywhere  
Blowing with the wind of change

Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow dream away  
In the wind of change

Walking down the street, distant memories  
Are buried in the past forever  
I follow the Moskva, down to Gorky Park  
Listening to the wind of change

Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow share their dreams  
With you and me (*Refrain 1*)

**Couplet 4 :**

The wind of change  
Blows straight into the face on time  
Like a storm wind that will ring the freedom bell
